

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION

VICTOR DAVIS and  
MARSHA DAVIS,

Plaintiffs,

v.

Case No. 12-15088  
Hon. Lawrence P. Zatkoff

NEW ENGLAND COMPOUNDING  
PHARMACY, INC.,

Defendant.

---

**ORDER ADMINISTRATIVELY CLOSING CASE**

On December 26, 2012, the defendant filed its notice that it has filed a voluntary petition for protection under the Bankruptcy Code. Based on that notice, the Court will administratively close the case.

Accordingly, it is **ORDERED** that this case is **CLOSED** for administrative purposes without prejudice because the defendant is involved in a bankruptcy case in which a stay of proceedings or an injunction is in effect. This closing does not constitute a decision on the merits.

It is further **ORDERED** that if the bankruptcy stay or the injunction is removed, the case may be reopened on motion of either the plaintiffs or the defendant.

IT IS SO ORDERED.

S/LAWRENCE P. ZATKOFF  
United States District Judge
